

Curriculum Overview	PE	Geography / History	PSHE	Music
<p data-bbox="85 220 349 331">Year 2 Term 1 Ourselves and our community</p> 	<p data-bbox="409 172 943 504">In Gymnastics this term the children will discover how to use different parts of their body to be high and low. They will use their body to: Travel safely low and high from the ground Experiment with different body parts high and low (can they move with their feet higher than their head? EG Bunny hops) Learn how to take the weight of their body safely on their hands.</p> <p data-bbox="409 542 913 603">Outdoor PE will be inventing throwing and catching games and teaching them to others.</p>	<p data-bbox="974 165 1395 328">In history children will discover how the local area is different to the way it used to be a long time ago and compare Dartford and surrounding areas now to the pas</p> <p data-bbox="974 367 1395 609">In Geography children will know, name and locate the four capital cities of England, Wales, Scotland and Northern Ireland. They will compare the local town to a city and village and know and identify where they live.</p>	<p data-bbox="1422 137 1608 165">In PSHE we will:</p> <ul data-bbox="1467 204 1832 635" style="list-style-type: none"> • discuss the importance of belonging to a community and the roles they (and others) play in making everyone feel valued and included. • they will learn to identify and recognise risks in familiar and unfamiliar environments in everyday situations and learn how to keep themselves and others safe. 	<p data-bbox="1854 236 2190 501">This term the children will be focusing on developing their music skill by joining in with the whole class singing and copying a simple rhythm. We will also take part in music making activities using body percussion and vocal sounds.</p>
Art / DT	Computing	RE	Maths	
	<p data-bbox="409 788 943 1018">In computing this term, the children will talk about the use of IT and technology in their own home and school. They will discuss the many devices they can use to access information on the internet but will also recognise that not all content is factual or true.</p>	<p data-bbox="974 756 1395 1050">This term in RE the children will discuss why we should care for others and why it matters. They will be discussing why everyone is valuable and should be looked after. They will identify who looks after them and also if they have responsibilities to look after others.</p>	<p data-bbox="1422 788 2190 1018">In maths this term we will be counting objects to 100, writing and representing numbers to 100 and use different ways to show numbers to 100. We will use place value grids to show a number's 'tens' and 'ones' and use this to help compare and order 2-digit numbers. We will also use part-whole models and place value grids to partition 2-digit numbers in different ways.</p>	
English			Science	Termly School Value
<p data-bbox="49 1248 1375 1423">This term our focus text is Superkid by Claire Freeman. We will learn how to use adjectives effectively to describe a character. We will also learn how to write question and statement sentences and use these to write a Fact File about Superkid. Our final piece of writing for the term will be a poem based on Superheroes. We will learn to write a list poem and use capital letters for names. In phonics we will be following the Monster Phonics progression map.</p>			<p data-bbox="1422 1203 1832 1433">In science this term we will be learning about animals including humans. Our focus will include describing and comparing life cycles of various insects and animals and looking at these in relation to the lifecycle of humans.</p>	 <p data-bbox="1975 1433 2087 1461">PRIDE</p>
