

Curriculum Overview	PE	Geography / History	PSHE	Music
<p>Year 2 Term 5. Our Wonderful World</p> 	<p>Outdoor PE will be focused on orienteering teaching the children how to follow a trail. Understand and following a map and look at a birds eye view. Indoor PE will be developing their gymnastic skills linking movements together, continuity of movement and making up their own sequences.</p>	<p>Our focus this term is Geography. Through the topic of investigating 'Where in the World do I live?' the children will take a journey across oceans and continents learning about the Equator, climates across the world and features of hot and cold countries. The children will compare living in the UK to other countries and see just how different their lives are in terms of how they live and the environment around them.</p>	<p>PSHE will consist of physical health and well being learning about routines and habits to keep themselves physically and mentally healthy. Discussing why sleep is important and reviewing medicines, immunisations and dental health.</p>	<p>The children will be focusing on different songs from around the world with a focus on the tempo and beat of the music. They will be writing their own notations and playing them on percussion instruments.</p>
Art / DT	Computing	RE	Maths	
<p>This term, the children are very lucky to be part of an exciting new project funded and developed by the artist, Frank Bowling. They will be using many different techniques to produce art based on maps of the world.</p>	<p>We will continue to learn how to search safely on the internet and learn how to tell if information we find is true.</p>	<p>This term, our topic is Judaism - 'Who is Jewish and what do they believe'.</p>	<p>We will be learning what a fraction is. We will learn that a fraction is an equal part of a whole. We will learn what half and quarter is and what it looks like in a shape and of an amount and then count in halves and quarters. Finally we will learn about unit and non unit fractions.</p>	
English			Science	Termly School Value
<p>Our English texts this term link to the continents we are learning about in Geography. Our first text is Jonty Gentoo, The Adventures of a Penguin by Julia Donaldson and Axel Scheffler. Children will use their knowledge of writing a recount to write a postcard back home all the way from the Arctic. We will write our own narrative set in a Kenyan village in Africa based on the text Lila and the Secret of Rain by David Conway and Jude Daly. The children will choose effective vocabulary to evoke feelings of worry and relief. Finally, the children will explore the text This Moose Belongs to Me by Oliver Jeffers to support their learning of North America.</p>			<p>We will be learning about plants this term. We will describe the basic needs of plants for survival and the impact of changing these and the main changes as seeds and bulbs grow into mature plants. We will use out observation skills to describe how seeds and bulbs grow into mature plants.</p>	 <p><b>COLLABORATION</b></p>
